THERMO KING

# SR-2 and SR-3 Control Systems

Easy-to-use control systems for accurate temperature control.

Powerful and simple to use, the Thermo King controllers make it easy to accurately manage the temperature in your truck or trailer, no matter what you're hauling.

SR-3 Control System

Easier to Use

✓ Easier to use than ever and designed for compatibility and integration with wireless technologies

✓ Thermo King nationwide warranty

✓ Upgradable for tomorrow's technology

✓ The USB port on the Human Machine Interface (HMI) allows for fast and easy downloading, uploading and flashloading of information

Protect Your Cargo

Protecting the integrity of your load is a top priority.

With OptiSet® Plus technology and an HMI with a new USB port, it's easier and faster than ever to get the data you need to meet the food safety requirements of your customers. With the SR-3, Thermo King gives you the power at your fingertips to adjust and monitor reefer profiles from virtually anywhere.

Save Time

Download, upload and flashload faster than ever before.

✓ Conveniently located on exterior - no doors to open and no panels to remove

✓ Readily available data for food safety regulations and customer requirements.

✓ Use any standard USB flash drive that has been preloaded with Wintrac®

✓ Using a USB flash drive eliminates the need for a laptop and cables

Upgrade your SR-2 today!
